A NOTE FROM LEADERSHIP

CHEERS TO 60 YEARS!

Since 1961, it's been our mission to improve lives by mobilizing the caring power of our community. Supporters like you have made that possible, and we're so glad you've joined us for the last 60 years! You've helped drive real, measurable change in our immediate area and neighborhoods where we live, work, and play. Your support, combined with thousands of others, is a robust investment in the future of our community. We cannot thank you enough!

With such a milestone achievement, we took a moment to reflect on our history, but we knew it was time to turn our focus to the future. With our Board's strength and passion, our organization's strategic goals came more clearly into focus. Not only did we move forward with our Strategic Plan, but we've been able to add more programs and expand our campaign with new workplaces and partnerships. We continue relentlessly toward our goal and couldn't have done that without our community. Our success is due to our collective diligence and drive.

We all thought this past year would be easier than the previous. However, finding success through another year of cancellations and constant changes all around us would not have been possible without your support. The people in our community are lucky to have you as their neighbors and friends.

We are so proud of where we have come and what has been accomplished, and know our brightest days are on the horizon. We hope you will join us on this adventure!

Thank you,

Jeff Schlitt
 Board Chair

Meredith Egan
 Chief Executive Officer

To effectively address our community's most persistent problems, we must have an organized proven strategy.

We're more than just a funder. United Way is the place where we can all make a bigger difference for those in need. With countless ways to give, advocate, and volunteer, we combine every gift to drive maximum impact in our fight for the Health, Education, and Financial Stability of every person in our community.

In 2021-2022, the Community Impact Fund provided grants to 45 programs that align with our goals. Through this fund, United Way confronts our community's biggest challenges to drive measurable results and lasting change.

Through United Way funded partners and programs –

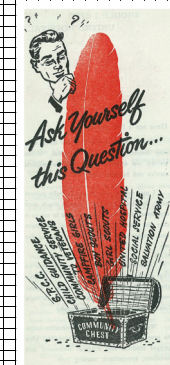

■ **2,514 individuals** were able to access mental health services

■ **27,462 individuals** had nutritious food

■ **4,308 individuals** in crisis received services within 48 hours of their request

■ **877 children** participating in United Way funded programs are developmentally on track

■ **659 children** enrolled in United Way funded programs have made significant gains in core academic subjects

Strategic Plan Objectives: 2022-2024

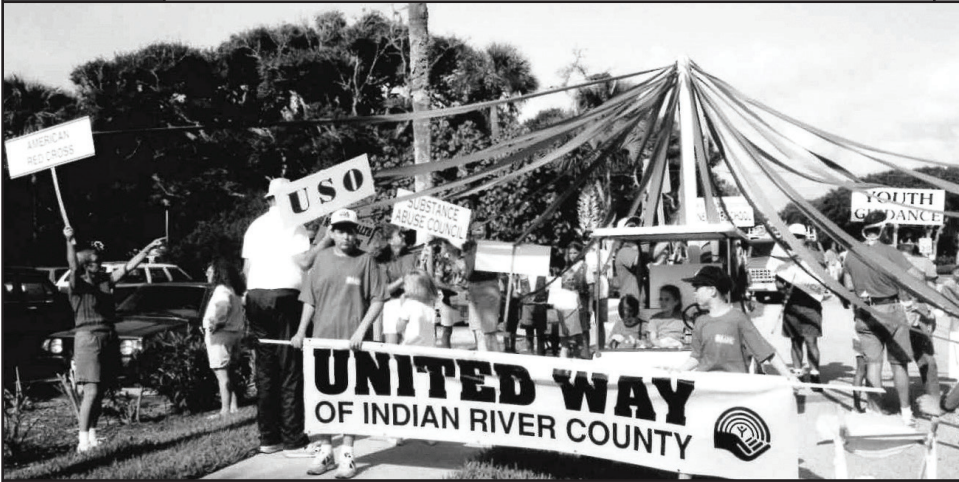

■ **Ignite** our Community Impact Strategy to increase impact while cultivating a culture of learning and evaluation

■ **Expand** and diversify the range of supporters and deepen relationships to grow revenue

■ **Increase** brand awareness to make United Way of Indian River County a recognized, respected, and "go to" resource

■ **Enhance** operational excellence and strengthen our infrastructure

A woman, a priest, and a rabbi...

In 1887, a Denver woman, a priest, two ministers and a rabbi got together... It sounds like the beginning of a joke, but they didn't walk into a bar; what they did do was recognize the need to work together in new ways to make Denver a better place - an idea that became the nation's first united campaign and created a movement that would become United Way.

1961

In Indian River County, the United Fund was formed, raising \$44,367 for social service agencies. The first campaign lasted 28 days and was organized out of a four-draw file cabinet housed in the Chamber offices. Piper Aircraft marks the first Workplace Campaign raising \$25,000.

1971

Under the leadership of Jim Thompson, \$97,901 was raised, and 21 agencies received funding.

1973

United Way joins forces with the NFL to create public service announcements and programs featuring NFL players, coaches and owners to boost awareness of social service issues. The "one gift works many wonders," campaign, featuring Woody the Woodpecker helps thousands of residents.

1976

The United Fund Board of Directors unanimously voted to change the organization's name to the United Way of Indian River County, Inc.

1977

The expansion phase welcomed the beginning of the Volunteer Bureau and a county-wide Information and Referral Service.

1985

The 1st Annual Citrus Golf Tournament tees off.

1992

The first Annual Community Leader's Breakfast was held. After Hurricane Andrew, a Special Response Fund was established to set 10% aside of money raised enabling non-partner agencies to apply for special project funds.

COMMUNITY LEADER'S BREAKFAST

PAGE 13

"Since the pandemic hit 18 months ago, your United Way has been working overtime to help our community. With your support, we have raised, leveraged, and distributed more than \$5.2 million for this crisis response work." –Jeff Schlitt, Board Chair

After a brief hiatus due to the pandemic, friendly faces of regular campaign supporters gathered virtually, thanks to our Presenting Sponsor, Florida Power & Light Company. Keynote speaker Jeff Johnson, State Director of AARP Florida, discussed the importance of making communities more livable for all ages.

The Prize Patrol, hosted by Board Chair-Elect, Jeff Petersen, had the esteemed privilege of recognizing the Richardson Spirit of Indian River County Award winners by surprising them at their places of business.

COMMUNITY LEADER'S BREAKFAST

PAGE 14

These prestigious awards were presented to the following honorees for making a notable difference in our community:

- The Richardson Spirit of Indian River County Award for Workplace Campaign: *School District of Indian River County*
- The Richardson Spirit of Indian River County Award for Partner Agency Workplace Campaign: *Substance Awareness Center of Indian River County*
- The Richardson Spirit of Indian River County Award Community Champion: *Jeremy Odom*
- Ralph T. King Award: *Jeff Smith*

Typically, the largest one-day volunteer event in Indian River County, pivoted again to small, socially distanced groups to adhere to safety protocols.

While the teams may have been small, the task was monumental – 1,000 hygiene kits were packed and delivered to unhoused children living in our community. Thanks to our sponsors, Publix, Inc. and McDonald's, each backpack included shampoo, soap, a toothbrush, toothpaste, floss, sponges, deodorant, hair gel, and hand sanitizer.

Did you know?

423 students are homeless in Indian River County. Plus 250 more students are considered to be "couch surfing."*

**This data is often significantly under represented, due to family concerns of repercussions.*

WORKPLACE CAMPAIGNS

PAGE 17

Workplace giving is an easy and effective way for employees to make a difference and show them their workplace is actively supporting their local community's most important issues.

Employees of a company are given an opportunity to support United Way of Indian River County (UWIRC) by donating via payroll deduction, cash, or check.

These employees' investments benefit the entire community, not just one program, issue, or population, and this leads to a stronger, more sustainable place to live and work.

UWIRC provides expert management of donor investments and brings the right people, ideas, and resources together to solve the most pressing needs of the community and finds innovative solutions for lasting change.

Sawbones VS. Jawbones Softball Tournament –

Local professionals give back to their community at the annual Sawbones VS. Jawbones softball tournament presented by Cleveland Clinic Indian River. The doctors vs. lawyers rivalry continued for the 11th year at the newly renovated Holman Stadium at the Jackie Robinson Training Complex, raising nearly \$8,000 for United Way and the community.
