WORKING TOGETHER. BECAUSE COMMUNITY MATTERS.

What connects us? A deep belief that people in Indian River County want to help each other, and an intuitive understanding that education, financial stability, and health are the cornerstones of a good life. If we tackle local challenges together, we can build a stronger foundation for community and individual success.

Youth achievement & empowerment through:

- Promoting early learning and development
- Academic success for grade school students
- Preparing graduates for higher education, work, and life

Financial stability & independence through:

- Access to basic needs like nutritious food and safe, sustainable housing
- Sustainable employment and workforce skill development
- Access to resources and assets to promote financial stability

Improving health & well-being by:

- Ensuring prevention and support services to enrich physical, emotional, and mental well-being

We take community-building seriously. When you invest in United Way of Indian River County, you're investing in your community! Most importantly, your dollars stay local so that you and your neighbors can build a stronger foundation and everyone can thrive. You're a champion for the place we all call home and we thank you for it.
