DAY OF CARING

Saturday, October 24

Kickoff Breakfast | 8:00 AM | Vero Beach High School Citrus Bowl

Join individuals, families, and teams from across Indian River County for a morning of hands-on volunteering that directly supports our local nonprofits, schools, and community partners. After a light breakfast and welcome at the Vero Beach High School Citrus Bowl, volunteers will head to project sites promptly at 9:00 AM to get to work. These projects are meaningful, mission-driven, and make a real difference in the areas of health, education, and financial stability.
