

HOW WE WORK

United Way of Indian River County mobilizes the caring power of our community to strengthen the network of support our neighbors rely on.

UNITED WAY
Indian River County

WE LEAD

We bring people together to understand needs, align efforts, and shape community solutions.

- Convening partners and leaders
- Using data and lived experience to identify needs
- Leading collaborations that turn ideas into action

WE INVEST

We invest community resources in programs and partnerships that create measurable impact.

- Funding local programs that deliver results
- Strengthening nonprofits and community capacity
- Measuring outcomes and ensuring accountability

WE RESPOND

We deliver direct services and respond to community needs every day and in times of crisis.

- Providing direct services that build stability
- Leading disaster response and recovery (ANCHOR)
- Mobilizing volunteers and partners to meet urgent needs
